The Polar Rhino Ride

It has been 23 years since a dozen or so riders from the FRCC got together on a cold New Year's Day morning at the Kinetic Systems Bicycles parking lot for a mountain bike ride. Since that day the ride has taken on a life of its own.

The early Polar Rhino rides were advertised through word of mouth and the club newsletter. In 1994 we actually created a flyer and had over 160 riders participate. The next year word had spread that this was a pretty darn fun ride and we had over 225 participate. So in 1996 we moved to a larger venue at the Independence Township Library -and were we glad we did since 344 riders attended. To avoid the busy town traffic we now depart from Independence Elementary School which is situated on the dirt roads. The FRCC, Kinetic Systems, and our sponsors thank you for your past and future support. Here's to many more years. Cheers!

Become an FRCC member at the Polar Rhino Ride and pay the membership rate! Membership valid through 2012. Discount on FRCC events, 10% discount at Kinetics Systems Bicycles. FRCC membership - \$30.00. Good for the whole family!
